ANNUAL INCREASE REMINDER

The next Annual Increase (AI) will be paid in July 2024 and will be 1.0% for eligible benefit recipients in the DPS benefit structure or those who began Colorado PERA membership in the PERA benefit structure on or before December 31, 2006.

If you began PERA membership in the PERA benefit structure on or after January 1, 2007, and you are eligible for an AI in 2024, your AI will be the lesser of 1.0% or the average of the monthly CPI-W for the previous calendar year. The sum of the AIs paid to a division's benefit recipients cannot exceed 10% of the divisional AI reserve.

PERA anticipates releasing the official AI amount for this group in late June/early July upon the completion of the actuarial valuation that occurs in conjunction with the release of PERA's *Annual Comprehensive Financial Report*.

Keep in mind that you may have to meet certain eligibility requirements before receiving your first AI. Eligibility for the AI and the amount of the AI depends on the following:

- ▶ If you received an AI prior to May 1, 2018
- ▶ Your benefit structure (PERA or DPS)
- ▶ Your membership start date
- ▶ Effective date of retirement
- ▶ The type of benefit you are receiving (full service, reduced service, disability, or survivor)
- ▶ For reduced service retirement: if you were eligible to retire on January 1, 2011

State law specifies that the AI may adjust in the future to ensure that PERA is able to pay off its unfunded liability within 30 years. Each June, PERA announces its progress toward the funding goal along with any automatic adjustments:

- ▶ If PERA is behind schedule, the AI can be decreased by up to 0.25% in one year, not to fall below 0.5%.
- ▶ If PERA is ahead of schedule, the AI could increase by up to 0.25% in one year, not to exceed 2%.

Any adjustment to the AI paid in 2025 will be based on the information released in June 2024.

Review the *Automatic Adjustment Provision* fact sheet for more information about adjustments that may occur depending if PERA is ahead of or behind the 30-year funding goal.

UPCOMING BOARD ELECTION

In May, Colorado PERA will hold an election for the following three seats on the Board of Trustees:

State Division—4-year term (to be filled by an active member, currently employed with a non-Higher Education employer in the State Division)

State Division—2-year term (to be filled by an active member, currently employed at an Institution of Higher Education)

School Division—4-year term (to be filled by an active member, currently employed in the School Division)

Ballots will be mailed in early May to active members in the State and School Divisions. **Retired members will not be voting in this election since there is not a retiree seat up for election this year.**

The Board will announce the results of the election in June, and elected Trustees will begin their terms July 1. For more information, visit the Board of Trustees webpage at copera.org.

PERA Board Reappoints Trustee

On March 15, 2024, the PERA Board reappointed Amy Grant to the DPS Division seat. She was the sole candidate duly nominated and eligible to be elected to

the seat, which means there will not be an election for the DPS Division seat in the May Board election. The new term for Grant will begin on July 1, 2024, and end on June 30, 2028.

New Board Vice Chair Elected; New Trustee Appointed

Taylor McLemore is the new Vice Chair of PERA's Board of Trustees. The Board elected McLemore to the position at its January 19 meeting; his two-year term began in February. McLemore was appointed to the Board by Gov. Polis in 2021. The outgoing Board Vice Chair, Suzanne E. Kubec, retired from her position with the State Office of Risk Management within the Department of Personnel and Administration and left the PERA Board at the end of January.

To fill the vacant State Division seat as a result of Kubec's retirement, the PERA Board appointed Ashley M. Smith, who was the runner-up in the last State Division election. She is the Director of Corporate Strategy and Development at Pinnacle Assurance and previously served on the Board in 2021. Smith's term began February 1, 2024, and will end on July 1, 2025.
